Centenary Estates Limited

Vol. 1. No. 6

1st December, 1965.

Jindalee is situated on the southern side of the Brisbane River, $7\frac{1}{2}$ miles from the City Hall. From the City, follow Coronation Drive or Milton Road to Moggill Road. Follow the signs along Moggill Road and turn left at the Jindalee/ Fig Tree Pocket sign near the Salvation Army Boys' Home, Indooroopilly. Follow the express-way over the Centenary Bridge to Jindalee.

From Oxley, cross the rail bridge and follow the signs to Jindalee.

EDITORIAL

Progress! The latest news on the Golf Club indicates good progress with negotiations between the local members of the Club and City Council representatives. The Club is exploring a possible way of financing a Club-house and the general running of the course, so that it is likely that in the near future we will hear of plans being prepared for the Club-house. The completion of a Golf Club-house would be of more significance than is at first apparent. Not only would residents who are members be able to enjoy the amenity, but also it would have a magnetic effect on non-residents who could be influenced to move to the Estate. In addition, it would provide a suitable premises for various functions amongst residents, meeting place for Service Clubs and generally a worthwhile community centre. All Jindaleeites will be pleased to learn of this progress and will look forward to seeing present plans implemented in the near future.

JINDALEE PROGRESS ASSOCIATION

The Association would like to see some more new faces at its monthly meetings. It doesn't matter if they belong to older residents who have never been to a meeting, or to new residents still trying to put up their curtains ... all are welcome. The Progress Association is the mainspring of Jindalee's community life - most of the organisations now active on the Estate had their birth in an idea or a suggestion made at a meeting. The popular Jindalee Amateur Swimming Club is an example. So if you have an idea or proposal (or even a moan) come along to a meeting and air it. The Association's main project at the moment is the development of parklands and a children's playground at the rear of properties facing Koorngal Drive.

A few items from the monthly meeting :-

Garden Competition : Members accepted a sub-committee's recommendations for holding a competition in the autumn. Residents will be given details in a circular to be sent out soon. Centenary Estates Limited has promised to donate fifty guineas as prize money.

The problem of haircuts for boys will be overcome when a barber
